Overtime

The nature of our service industry causes us to be available for work at all times to service our customers' needs. Our regular day-time schedule is from 7:00 AM to 3:30 PM with a half hour lunch. Many times our customers require that we work extended hours or after hours. Please read the statements below and check any that reflect your attitude towards overtime.

- Will work ALL overtime that is available.
- Want to work overtime that is available and try to adjust my personal schedule in order to work.
- Want to work overtime but have commitments that cannot be changed.
- Will work overtime when I do not have other plans.
- Will work overtime occasionally but prefer that someone else be asked.
- Will not work overtime

Applicant Statement

The information I have given is true, accurate, and complete to the best of my knowledge. I authorized Blumenthal Sheet Metal Company to contact my former employers, the Industrial Accident Board, and the Texas Department of Public Safety to review public files relating to my previous employment, on the job accidents, and driving accidents and violations.

I understand that all employees of Blumenthal Sheet Metal Company are required to pass a pre-employment drug screening. Should I be allowed to work prior to verification of the results of the drug screening, I understand failure to pass this test will be grounds for immediate termination. I authorize Blumenthal Sheet Metal to deduct the cost of drug screening from my final paycheck. If the job I apply for requires that I drive while under the coverage of the company's insurance policy, my being or becoming uninsurable is grounds for termination.

The nature of sheet metal work includes lifting heavy objects, working in climates where the temperature is unconditioned, climbing stairways, scaffolding, and ladders, and wearing trade-oriented safety gear. If I have any personal limitations that will affect my ability to perform the work for which I am applying, or my ability to conform to the safety requirements of the sheet metal environment, I will bring such limitations to the attention of Blumenthal Sheet Metal Company prior to accepting employment.
